

## Welcome to a new school year in Room B3!

### Dear Future Fourth Grader,

My name is Mrs. Francie Robertson. I can't believe I'm saying this, BUT this is my fourteenth year teaching 4<sup>th</sup> grade. My first twelve years were at Pine Tree and this is my second year at Orion Oaks!

I went to [Michigan State](#) and received a degree in Zoology, my teaching certificate and a Master's degree. You could say I love being a Spartan! You will see evidence of this on the walls of our classroom. 😊

I enjoy watching college football, reading, fishing, being out on the lake and spending time with family and friends any time that I can. I am originally from the U.P. and travel to see family when possible.

I am married to my wonderful husband Brian, who is a college professor and we have three children. Lucy Grace is almost 6 years old and will be in kindergarten this year. Eddie Davis is almost 4 and will be in preschool. Genevieve Mae was just born on June 10<sup>th</sup> 2018 and is our newest member to the family! We also have our dog Hal, who is a German short-haired pointer, that we rescued from an animal shelter.

I look forward to working closely with each family this year and helping each child become confident and successful in fourth grade! Please check out our classroom website! [robertsonmsu.weebly.com](http://robertsonmsu.weebly.com)

### REMIND101

Please considering signing up for Remind101. It's free, easy and private! I will send messages about important events, dates, homework, etc. through this app. (This information will also be on our Weebly)
