

March is Reading Month!

Dear families,

The month of March is celebrated as "Reading Month" in schools across the country. One way that I would like to celebrate literacy in our classroom is by asking for volunteers (parents or grandparents) to come into our classroom during the month of March as "Mystery Readers".

If you are interested in being a "Mystery Reader", please let me know a March date that will work for you. Please plan on a 10-15 minute story. You can bring a favorite book from home, or I can provide you with a selection from the classroom.

Before the students find out who you are, I like to give them clues to try and figure out whose parent or grandparent it is. Please send those clues in with the slip below.

I understand that not all work schedules will allow you to come in to read to our class. That's ok! You can support reading all year long by taking your child to the library, reading to them, having them read to you, and reading in front of them...so they can see that parents and grandparents read too!

Thank you for supporting a love of reading in your child!

Mrs. Robertson

Please return the slip below in an envelope.

_____ Yes, I would like to be a Mystery Reader during the month of March.

Two Dates that work best for me are _____

Classroom times available....

Mondays: 1:30 or 2:30

Tuesdays: 8:40-9:00 or 11:00-11:15
